

## Find Bodies of Mr. And Mrs. Hand By Crashed Airplane

Former Sedalians Had Crackup Near Parkville, Missouri, On August 13

PARKVILLE, Mo., Oct. 9.—(AP)—The wreckage of a twin engine airplane with the skeletons of two persons was found early today in a densely wooded area on the Park college campus by five students.

The bodies were identified by a name plate found near one of them as those of Mr. and Mrs. Crawford H. Hand (4040 Locust st.) Kansas City, Mo. The couple had been missing since Aug. 13 when they left Amarillo, Tex.

An intensive three-state search through Texas, Oklahoma and Kansas for nearly a month by the air search and rescue squadron from Lowry Field, Denver, failed to uncover the wreckage.

Hand, classified as an experienced pilot, and Mrs. Hand had been vacationing in California and were on their way home in their airplane.

Close to Picnic Grounds  
It was dark and the girl did not take time to investigate. Later that night she told her roommates what had happened. At 5 a.m. today she and four girl companions returned to the scene, about a half mile east of Alfalfa Point, a college picnic grounds on the campus. The plane had crashed into a blackberry bramble on the east side of a hill in a densely wooded area.

With Miss Hayes, who is 21, were Miss Mary Jo Jacobs, 20, a senior from Artesia, N.M.; Miss Irene Gaenzle, 22, a junior from Leavenworth, Kas., and Miss Margaret Seburn, 20, junior from Aurora, Mo.

It took the girls an hour to find their way through the dense undergrowth and trees to the wreckage. A key, a billfold and the name plate were found near the wreckage.

Sherriff Notified  
Dr. E. McClung Fleming, dean of the college, notified Sheriff John Lowmiller and Tom Hulet, Platte county coroner. Kansas City police also were called.

Both engines were thrown clear of the fuselage. All fabric and wooden parts of the plane were burned. In a suit case, found 10 feet from the plane, was a flight plan giving the number NC-5663-N, the number of the hand plane according to CAA officials. A gasoline purchase invoice made Aug. 5 in Amarillo also was found.

The name plate bore the name "C. H. Hand, 4040 Locust." There also was a bank book with the name, "Mrs. C. H. Hand, 6111 Throst."

Hulet said it was impossible to tell the bodies apart.

In crashing the plane had cut a path 100 yards long, tearing off the tops of 25-foot elms.

Mystery Is Solved  
The mystery in the disappearance of Crawford H. and Marjorie Hunt Hand, last August, was cleared up early today with the finding of their crashed plane in a densely wooded section of Park College at Parkville, Mo., by four students of the college.

The burned plane and the bodies were found by the students who started their search about 5:00 o'clock this morning.

Mr. and Mrs. Hand disappeared the night of August 13 on a return trip to Kansas City from Santa Monica, Calif., where they had spent several days on a vacation and business. They were last seen at Amarillo, Texas, where their five-passenger twin-engine Cessna had landed at 8:59 o'clock, the night of August 13. The plane was refueled and Mr. and Mrs. Hand took off from the field immediately without first notifying authorities of the flying field of their flight plan.

Talked on Business  
On August 10, W. G. Hunt, Crawford's brother-in-law, talked with Hand on business and at that time he said he would return to Kansas City on Sunday, August 13. That was the last actual contact the family had with either Mr. or Mrs. Hand.

When they failed to arrive in Kansas City, and after contacts had been made later about their return, it was learned at that time they had left California. The family became alarmed on

### Motorists Duped On Special Parking

CHICAGO, Oct. 9.—(AP)—A hundred late comers to the Chicago Bears-Cardinals professional football game at Wrigley field yesterday thought they got a break—sidewalk parking for \$1.

It was raining and nearby car parking lots were filled. But a couple of street hawkers told them it was okay to park on driveways in alleys and on sidewalks for \$1. "Everything is taken care of," the hawkers assured them.

When they returned to their cars, the hawkers had vanished and each had a ticket for illegal parking. The automatic fine for this is \$3.

Police said "sharpies" duped the motorists.

### Election Vote Is Expected To Run Light

Experts Figure it Be Under That Cast in 1948

JEFFERSON CITY, Oct. 9.—(AP)—The experts figure the general election vote in Missouri next month will be somewhat lower than in 1948 but a little higher than in 1946.

They estimate the total November vote will run between 1,200,000 and 1,300,000. Two years ago 1,578,574 Missourians of all parties voted for president. In 1946, the last off-year election, the total was 1,086,241.

It's all just a guess, of course, but this is the way the experts figure:

Secretary of state's office—somewhere around 1,200,000.

Democratic state committee—about 1,300,000.

Republican state committee—a maximum of 1,300,000.

In 1942, the last off-year election that came while thousands of voters were at war, the general election total was only 924,683.

If you want to speculate about the division between the two major parties, you might figure it this way:

Two years ago, 917,315 voted for Truman and 655,039 for Dewey, a total of 1,572,354. And four years ago, 572,556 ballots were cast for U.S. Sen. James P. Kem (R.) and 511,544 for Frank P. Briggs (D.)—a total of 1,084,100.

If the total Democratic and Republican vote in the Henningsen-Donnell senatorial race this year reaches 1,300,000, it will just about split the difference. That would be 272,356 fewer votes than in 1948 but 215,900 more than in the off-year election of 1946.

No one knows for sure how many eligible voters there are in Missouri because registration is not required everywhere.

The secretary of state's office estimates the total might be around 2,500,000. The Democratic state committee puts it at 2,300,000 and the Republican committee at 2,663,354.

Richer By \$10 By An Accidental Killing

ST. CHARLES, Mo., Oct. 9.—(AP)—An accidental killing yesterday made L. F. Kirchner \$10 richer yesterday. The victim was a 40-pound wolf.

Kirchner said the animal leaped from some nearby woods onto U. S. highway 40 in front of Kirchner's automobile near St. Peters. County officials said they will pay the bounty.

Orchestra Rehearsal Tonight

The symphony orchestra rehearsal will be held at 7:30 o'clock tonight at Broadway school instead of Smith-Cotton high school as originally planned.

## 'Bobo, Moe, Casey & Alabam' In U. S. Army Buddy System

TOKYO, Oct. 9.—(AP)—"Bobo, Moe, Casey and Alabam" are doing all right for themselves under the U. S. army's buddy system in the Korean fighting.

They are four of thousands of South Korean volunteers who have been integrated into American army units.

Names were perhaps the biggest stumbling block when the program began last July. Veteran American sergeants found their South Korean units overflowing with Kims and Lees—the Smiths and Joneses of Korea.

A paint brush and a little imagination cleared up the situation in a hurry. On each South Korean's helmet was painted an official nickname assigned by his American buddy.

The system was introduced in the U. S. Seventh infantry division, where South Koreans were first integrated into the American army.

As soon as each Korean completes his brief basic training, he is assigned to a squad and to a specific buddy. He stays with the doughboy, copying his every move.

The system has helped overcome problems of language, food, clothing and customs. The South Koreans and Americans have developed a unique vocabulary of pidgin English, plus a smattering of Japanese words.

### Lost Lives in Plane Crash

Mr. and Mrs. Crawford Hand, formerly of Sedalia, missing since August 13 after they left Amarillo, Texas, were found dead early today by their wrecked plane on the campus of Park college at Parkville, Mo., in a wooded area. Mrs. Hand was the former Marjorie Hunt, daughter of Mrs. Oma Hunt of East Fifth street.

Upper pictures show Mr. and Mrs. Hand in home attire and below they are pictured beside the ill-fated plane in which they lost their lives.

### Lions Pet Show Be October 24

The Sedalia Lions Club Pet Show held annually by the local Lions has been set for Sunday afternoon, October 22, at the Liberty Park baseball stadium. Dr. Edwin Epstein, chairman of the committee in charge, announced the date this morning.

The registration of pets will start at 1:00 o'clock in the afternoon with the show and judging to take place at 2:00 o'clock. Following the announcements of the winners the children will be presented refreshments.

There will be a prize for the school which has the largest attendance from Sedalia and a prize to the school with the largest attendance from Pettis county. The club invites all children in the county to participate as well as those in Sedalia.

Plans are being made to have the Smith-Cotton high school band on hand to play during the afternoon.

Child Killed as Car Is Wrecked on Curve

JEFFERSON CITY, Mo., Oct. 9.—(AP)—A four-month-old girl was killed and her mother seriously injured Saturday night near Linn, Mo., the State Highway patrol reported.

The patrol said an automobile driven by Joe D. Frank, 24, of Linn, was demolished as it left the road on a curve about a mile north of U. S. 50 on state highway 89.

Frank was not believed hurt seriously. His wife, Marjorie, 27, suffered a broken leg and possible internal injuries. She was brought to St. Mary's hospital here.

Their little daughter, Elizabeth Josephine, was killed.

### Russia Favors Some Points

Surprise Evident In Statement By Vishinsky

By Tom Ochiltree

LAKE SUCCESS, Oct. 9.—(AP)—Soviet foreign minister Andrei Y. Vishinsky said today Russia favors some points of the sweeping United States program to give the U. N. general assembly emergency powers to combat aggression.

Vishinsky's surprising statement in the assembly's political committee came after John Foster Dulles, Republican advisor to Secretary of State Acheson, outlined the American program, which calls for standby military forces to back up United Nations decisions.

The Soviet foreign minister did not specify which points of the American proposal he favored. His statement puzzled other delegates.

British minister of state Kenneth Younger said:

"It is a fact that the Soviet Union accepts the general outlines we are glad to hear it. It may shorten debate."

The American proposal also is sponsored by Britain, France, Canada, the Philippines, Turkey and Uruguay. It calls for quick emergency sessions of the veto-free general assembly when the security council cannot act, peace patrols of observers to report to the assembly on acts of aggression and the designation by U. N. members of specific units in their armed forces to be placed at the disposal of the U. N. in time of crisis.

Decide on Debate  
By a vote of 48 to five with two abstentions, the committee decided on a general debate on discussions of individual points as the American proposal instead of Vishinsky had asked. The Soviet foreign minister said it would be more business like to have such a point-by-point discussion instead of getting bogged down in a general argument.

Dulles said the United States does not take the view that general war is the next inevitable stage of the steadily mounting tension marking assembly meetings in the last five years.

He said the security council had failed to establish any adequate system of peace observers or to provide the U. N. with an armed force in readiness. These defects would be corrected under the American proposal, he said. Further the assembly could convene on

### Crime Increase In Rural Areas

WASHINGTON, Oct. 9.—(AP)—Crime is increasing faster in rural areas than in cities, an FBI report shows.

A semi-annual report by the bureau last night showed an increase of 7.4 per cent in rural crime over the same period in 1949. In contrast, city crime was up only 1.9 per cent.

All types of offenses except negligent manslaughter and auto theft increased in rural areas, while in cities such crimes as murder, rape and robbery declined.

The bureau's report is based on compilation of reports submitted by local police authorities.

### Acheson Says That War is Not Inevitable

Accepts Award At Freedom House In Fight Waged

NEW YORK, Oct. 9.—(AP)—War is not inevitable, and no American should say it is, Secretary of State Dean Acheson declared last night.

"If we keep always before us that our purpose in building military power is to enable us to settle our differences by peaceful means, then we shall avoid the terrible error of talking and acting as though the end of our effort is war," he said.

Acheson spoke at Freedom House, where he received the organization's award as "a valiant and constructive voice, leading the democratic nations against tyranny."

In accepting the award, Acheson made an indirect reference to the many critics who have attacked his — and the state department's — policies:

"Public life in America is a rough school. It is no place for any one who is thin-skinned, or who can work only in an atmosphere of approbation."

"Indeed, such is our public life that abuse is not hard to bear, but understanding and support is something of an unerring experience."

"On his main theme, Acheson said a basis for compromise with the Communist leaders is now lacking, but that the Soviets may modify their "determination to achieve world dominion" if they learn the west is strong and durable.

Period of Peril  
He said the democracies are now going through a period of great peril, but that the alternative to rearmament would not be merely greater danger, but "certain disaster."

He also said that to win against totalitarianism by peaceful means, democracy must be translated "into loaves of bread as well as the bill of rights."

The award itself was presented by Warren Austin, chief American delegate to the United Nations.

"No one has realized more clearly than the man we honor, the dangers that the United States faces from the rampant imperialism of the Soviet Union," Austin said.

A telegram from President Truman also was read, saying Acheson "richly deserves the honor."

"Through every vicissitude he has stood four-square as the champion of the freedom of all peoples," the President said.

Freedom House was organized in 1941 by a number of sponsors, including the late Wendell Willkie, and was dedicated to the cause of world peace. After Willkie's death in 1944, the actual building was erected as a memorial in his honor.

## Enemy Resistance to South Koreans Has Been Strengthened

### Four Children Suffocated in Bed

ST. ALBANS, Vt., Oct. 9.—(AP)—Four children suffocated in their beds and their baby-sitting uncle was burned in a rescue attempt yesterday when a small fire broke out on the first floor of a two-story house.

The children's parents, Mr. and Mrs. Olson Bluto, were away.

The victims were Keith, 10; Judith Ann, eight; Donna Lee, six, and Darrell James, one.

Their uncle, Olman Bluto, about 30, suffered serious body burns in a futile attempt to rescue the children.

The blaze, believed to have started in the kitchen, was extinguished by firemen in less than ten minutes.

### Foreign Policy Speech Ahead

President to Give It in New York During Month

By Ernest B. Vaccaro

WASHINGTON, Oct. 9.—(AP)—Close associates disclosed today that President Truman is planning a major foreign policy speech in New York this month.

The speech, a non-political talk to the United Nations general assembly, is one of possibly three or four talks Mr. Truman contemplates making before the congressional elections in November.

These sources, who cannot be quoted by name, said Mr. Truman has definitely abandoned any thought of an extensive "whistle-stop" political campaign. He had contemplated such a stumping tour before the Reds invaded South Korea and made inopportune a direct new appeal in behalf of the "Fair Deal."

A White House announcement on the New York speech — Oct. 24 — will await a formal invitation from the United Nations. The occasion is the fifth anniversary of the date when the United Nations charter became effective.

The President, fresh from a week's rest aboard the yacht Williamsburg in Chesapeake bay and Potomac waters, may decide this week what other talks he will make.

Campaign to Barkley

At one time Mr. Truman had planned to campaign in practically every section, but that assignment has now been taken over by Vice President Barkley.

However, Mr. Truman is understood to have told Democratic national chairman William M. Boyle, Jr., he will be available for whatever speaking chores Boyle may think advisable.

Boyle has said recently that he expects Mr. Truman to make at least a couple of nationwide radio broadcasts in behalf of Democratic candidates. Boyle's executive vice chairman, Senator Anderson (D-NM), has said he will urge the President to make several frank political speeches.

Whether such additional talks will be made from Washington or from some other key cities will be disclosed shortly.

Some of Mr. Truman's aides said there was no present indication that the President will do much more than base whatever talks he makes on appeals for votes and for candidates who will support a foreign policy dedicated to sustaining the United Nations.

The Democratic national committee plans to use a series of talks Mr. Truman has recorded for radio broadcasts.

One minute "spot" announcements by Mr. Truman and members of his cabinet being sent to radio stations all over the country are concerned exclusively with appeals to every American to vote.

Death to 86 Missourians In The Korean War

WASHINGTON, Oct. 9.—(AP)—The Korean war has taken the lives of 86 Missourians, an Associated Press tabulation shows.

Missouri wounded totaled 369, missing 121, injured 30 and prisoner 1.

The totals included army, navy, marine and air force personnel.

The meeting was presided over by K. U. Love, president, and Henry Holst was program chairman.

Singing was led by George Lockett.

Guests introduced by Z. Lyle Brown were A. B. Ridgeway, guest of Dr. L. S. Geiger; T. H. Yount, guest of his son, Keith Yount; George Skybrock, guest of Charles Hofmeier; Glen White, guest of E. C. Thompson; Rotarians, Lee F. Soxman, Lexington; Charles Mathews, Marissa, Ill.

Rev. D. Warren Neal gave a report on the redecoration of the Negro nursery.

The Rural-Urban meeting will be held next Monday night at the Bothwell hotel at which time the Rotary club will be host to between 65 and 70 4-H leaders in Pettis county.

The Doane Agriculture Service of St. Louis, and chairman of the 4-H Foundation will be the speaker. Oscar DeWolf is chairman of the Rural-Urban committee.

Those who attended other clubs the past week were: E. A. Edwards, Warrensburg; Louis Payton, Marshall.

Leaps to Death With Her Infant Daughter

SALEM, Mass., Oct. 9.—(AP)—The young wife of a naval reservist recalled to active duty leaped from a third-story window yesterday, carrying her infant daughter to its death, after she first had tossed out her older child.

Dead is four-month-old Lorraine, daughter of Mr. and Mrs. Henry Pelletier. Her sister, Linda, 3, is in fair condition at Salem hospital.

Their mother, Theresa, 27, was taken to the same hospital in "very poor" condition suffering head and possible internal injuries.

Police said all three hurtled 35 feet from the kitchen window of the Pelletier apartment, landing on a gravel driveway.

The 26-year-old father, who was attending church, had only shortly before received orders to report for active duty with the navy Oct. 13.

Retail Grocers to Meet

### Opposition of Reds Near Wonsan Expected to be Overcome Quickly

By Relman Morin

TOKYO, Oct. 9.—(AP)—Red Koreans put up enemy resistance today against the deep penetration of ROK forces fighting for the port of Wonsan and the first American troops to cross into Communist Korea north of Seoul.

On both widely separated thrusts by the Allies, officers expected the local Red opposition to crumble quickly.

But the Reds gave no indication that they will heed a new "last time" surrender demand aired by General MacArthur.

The South Koreans (ROKs) may be preparing to turn at Wonsan from their 90-mile northward advance on the Sea of Japan coast and strike west across the waist of the peninsula for the Red capital, Pyongyang, 95 air miles ahead.

About equally distant from Pyongyang, troops and tanks of the U.S. First Cavalry Division crossed parallel 38 in regimental strength on the road leading northwest out of Seoul, the ROK capital, with Pyongyang as the apparent goal.

The Allied ground fighting forces thus are in position to race — or plod — 95 miles on the westward trek, 85 on the northwest push. Such converging drives would aim to strangle the Red government of Kim Il Sung in its home base.

Fierce Battle Rages

A fierce battle raged for the big industrial port of Wonsan. AP Correspondent William Jordan, with the South Koreans, said they expected to crack into the city by Tuesday morning.

The heavy fighting at Wonsan and northwest of Seoul was the first major show of Red resistance since South Koreans crossed the border Oct. 1.

AP Correspondent William J. Waugh, with U.S. First Cavalry forces who crossed Monday on their push northwest from Seoul and Kaesong, quoted a Red prisoner:

"The officers up there won't let them (the Reds) surrender or retreat. Troops who want to quit are shot."

Communist prisoners had foretold the battle for Wonsan. They said the Reds planned to make an all-out defense there.

## Church News

The Friendship Class of the Fifth Street Methodist church will hold its regular meeting Thursday at the church. Roll call of each member will be answered with a Bible verse starting with the first letter of the last name.

The meeting will be at 2:00 o'clock, which will be followed by a social hour and refreshments.

The Womens Association of the Broadway Presbyterian church met Thursday afternoon, October 5, with forty members in attendance. A prayer for missionaries and Christian workers in India and Alaska was given by Mrs. W. T. Bishop opening the meeting.

Mrs. Theodore Gardner, program chairman, introduced guests from the Womens Council of the First Presbyterian Church in Jefferson City, who in turn presented an interesting and informative playlet concerning an imaginary meeting of a membership committee. This committee discussed ways in which new members would become interested in the work of Presbyterian women. A devotional preceding the play entitled "The Touch of the Master's Hand" was given by Mrs. C. E. Bower of Jefferson City.

At the business meeting, during which Mrs. Homer Keith, president, presided, a vote of unanimous approval to increase the financial giving next year to the three Boards of the Presbyterian Church, U.S.A. and the current expenses of the local church was realized.

A letter of appreciation from the Warren Wilson Junior College of Swannanoa, N. C., for linen articles sent to them was read by Mrs. E. S. Thompson, secretary.

The president announced that plans have been completed for the entertaining of delegates of surrounding towns for the fall meeting of the Sedalia Presbytery to be held here on October 10. The theme for the day is "Thine is the Power." The morning session will begin at 9:45 a. m. with a devotional by Miss Margaret Sigafos of Jefferson City. The morning program will consist of workshop groups for officers, secretaries and members. Luncheon will be served at noon at the church. The address of the afternoon will be given by Mrs. Ralph A. Waggoner of Sedalia, who will discuss "Our Literacy Project." All members are urged to be present to participate in this training day for Presbyterian women.

An announcement was made concerning the group meetings October 19 and World Community Day, November 3.

The meeting closed with prayer, after which refreshments were served by members of group three, Mrs. Ralph Carrel, chairman.

The Congregational Presbyterian church will have a covered dish dinner at the church Friday evening, October 13, at 6:30 o'clock.

The pastor, Dr. Glen Lindley, and Mrs. Lindley will be the guests of honor.

E. M. Stafford, Jr., will show

## Accused Cleared By Loyalty Board

WASHINGTON, Oct. 9.—(AP)—John S. Service, a principal target in senator McCarthy's charges of Communism in the State Department, has been cleared by the Department's loyalty board.

**Final Action Friday**  
Final action was taken by the board Friday. State department press officer Roger Tubby told reporters it had been held up for several months for a check on new rumor from the far east which finally had been found "baseless." The general inquiry on Service as a security risk was completed last June.

The board action is only the latest in a series which has kept Service, a career diplomat, popping in and out of hot water since 1944 when he tangled with Ambassador Patrick J. Hurley in China.

Since that time his name has been a favorite with congressmen accusing State Department figures of leftist leanings.

**McCarthy Named Service**  
McCarthy, a Wisconsin Republican, set off the latest case last spring by naming Service as a man high in a Communist ring he said was operating in the State Department.

The accusation caught Service at sea, on the way to a new assignment in New Delhi, India, and he was rushed back home to answer.

If the loyalty board's findings are accepted by Deputy Undersecretary of State Carlisle Humelsine and by President Truman's overall loyalty review board, Service presumably will start again on his interrupted trip to new Delhi.

**Sam Highleyman An Elks' Trustee**  
Sam Highleyman, member of Sedalia Elks Lodge No. 125, has been appointed trustee of the Southwest of the Missouri State Elks Association, as announced by Dr. H. Chris Oltman of Joplin, State President.

Lawrence W. Twenter has been appointed State Representative to head the delegation of Sedalia Elks and Ladies attending the Annual Fall Convention to be held in Columbia on October 13, 14 and 15, in connection with Columbia Lodge's Golden Jubilee.

Past Grand Exalted Ruler, Bruce A. Campbell of Belleville, Illinois, will be the principal speaker at the Convention.

Degree work for a state-wide initiation will be put on by the ritualistic team of St. Louis Lodge No. 9.

For the entertainment of visiting ladies, a Style Show will be presented by the Columbia Auxiliary.

**Continuous Church Service**  
A clipping recently received by a Sedalian, from the Cincinnati edition of The Register system of newspapers, tell of perpetual adoration begun in Price Hill, a suburb of Cincinnati, inaugurated by the Rev. Father Roger C. Straub, pastor of the Church of the Resurrection in Cincinnati, in which church the Rev. Father William P. Stack, C. P. S., former Sedalian, is an assistant pastor.

Father Stack, who has volunteered to take the four-to-five early morning hour, is quoted in the article among the statements saying: "The plan for perpetual adoration is a national outgrowth of growing interest in the parish in the message of Fatima and increased devotion."

The circles of the First Christian church will meet this week as follows:

Circle No. 2, Mrs. William Sims, chairman, will meet Thursday, October 12, at 8 p.m. at the home of Mrs. Everett Stumpf, 1000 West Tenth. The devotional will be given by Mrs. Harold Pittman.

Circle No. 7, Mrs. Robert Long, chairman, will meet Tuesday, October 10, at 2 p.m. at the home of Mrs. Robert Brown, 1412 South Osage avenue. Assisting hostesses will be Mrs. William Daugherty, Mrs. Edgar Brown, and Mrs. Kenneth Holdren.

Circle No. 9, Mrs. Karl Berry, chairman, will meet Tuesday, October 10, 7:30 p.m. at the home of Mrs. James Harms, 717 West Seventh street. Mrs. John Pelham will show souvenirs she brought back from a recent trip to Japan.

Mrs. Bill Roberts will be the assistant hostess.

### New Arrival Named

Meladee Jo is the name given the daughter of Mr. and Mrs. Jack Herndon, 642 East Twelfth street, who was born Saturday morning. The couple has one son, Jackie. Mrs. Herndon is the former Miss Mary Frances McCurdy, daughter of Mr. and Mrs. Lawson McCurdy, formerly of Sedalia, now of Dayton, Ohio. Mr. Herndon is the son of Mr. and Mrs. D. J. Herndon, 1501 East Fifteenth street.

## Mr. and Mrs. Harvey L. Hale Were Wed Fifty Years Ago

It was fifty years ago October 10, 1900, that the above picture was taken, on the wedding day of Miss Minnie Lueking and Mr. Harvey L. Hale. The wedding took place at the home of the bride's parents, 923 South Kentucky avenue with Rev. Pfeiffer, pastor of the Immanuel Evangelical church reading the ceremony.

Mr. and Mrs. Hale, who are life long Sedalians, reside at 1210 South Kentucky avenue and have two sons, Leslie Hale of 1624 West Seventh street and Leonard Hale of the home. They also have one granddaughter, Millicent Hale of the West Seventh street address.

Mr. Hale, known by most people as "Harve," was foreman of the Dorn-Cloney wash room when they were married and later entered the post office service.

When he retired in 1936 he had carried mail on almost every route in Sedalia and was known all over the city. His friendliness and humorous remarks made him everybody's friend. He is one of the few retired carriers in Sedalia surviving, having been on the retired list 14 years.

Both Mr. and Mrs. Hale are in good health and are looking forward to having their many friends call at their home Tuesday afternoon and evening to help them celebrate this once-in-a-life-time occasion.

## Rev. Bryan to Convention

Rev. David M. Bryan, pastor of the First Christian church, plans to leave on Tuesday morning to attend the 1950 International Convention of the Disciples of Christ (Christian Churches) which will be held at Municipal Auditorium, Oklahoma City, Oct. 10-15.

The convention will discuss a long-range program covering the next ten years, and resolutions implementing such a program will be introduced in the Business Session.

One of the highlights of the Convention will be addresses by Dr. Toyohiko Kagawa, world renowned Japanese Christian leader. Dr. Kagawa, who has been variously described as "the greatest prophet of modern times," a living embodiment of the Gospel and the "Good Samaritan" has earned such acclaim by his actual practice of the Christian ideals. He has done much in aiding and teaching the poor. He fought for and won slum clearance and government housing. He organized the cooperative movement and he heads the Farmer's Union, the Seaman's Union and the Fisherman's League in Japan. Dr. Kagawa will speak in Oklahoma City three times on October 12.

An appropriate poem was enclosed in the appreciation expressed.

"Again I want to thank all individuals who were responsible for this project and took the active or inactive part in same," the acknowledgment concluded.

### Miss Chamberlain in National Sorority

She was graduated from the Hughesville high school in 1947. She is a junior at Belhaven college in religious education and is active in amanuens, newspaper staff and sports.

## Doctor Maddox Thanks Rotarians

"As president of the board for the Negro Day Nursery, I wish to take this opportunity to thank the Rotary club and all the painters who volunteered their services for the work at our nursery," says Dr. A. R. Maddox. "It was a magnificent job and one that was well done. We will finish the job now by purchasing a gas heater, new conglomolium for the floors and the placing of cots in one of the rooms in order that the kiddies may take a nap in the afternoon," he states. "The interest of the people in one another is the broadest and deepest basis of human association. Play and intellectual interest and even moral aims attract some of the people all of the time; but fellowship in all of the people all of the time is the very bread of life. It necessarily finds outlet in all directions and includes all possible civic activities. In its social version, it seeks to raise incidental neighborhood into conscious brotherhood."

An appropriate poem was enclosed in the appreciation expressed.

"Again I want to thank all individuals who were responsible for this project and took the active or inactive part in same," the acknowledgment concluded.

## All Employees on Freedom Scroll

Pittsburgh-Corning Glass Corporation has turned in the Freedom Scrolls signed by employees of all branches of the plant, it was announced today by Bob Sherman, chairman of the Crusade for Freedom Committee of the Sedalia Chamber of Commerce.

Otis W. Wiley, Superintendent of the local plant, said the campaign to have the workers sign the pledge for freedom was conducted under the direction of Mr. Raymond R. Fetters, president of the local No. 1004 Flint Glass Workers Union of North America. Mr. Fetters stated that stated that his union believes wholeheartedly in the creed set forth on the Freedom Scroll:

"I believe in the sacredness and dignity of the individual. I believe that all men derive the right to freedom equally from God. I believe in the sacredness and tyranny wherever they appear on earth."

All citizens of the local area are invited to stop in at the office of the Sedalia Chamber of Commerce and affix their signature to the scroll. This campaign is being carried on all across America under the direction of General Lucius Clay, former Commander of American Occupation Forces in Berlin. The scrolls are to be preserved in the corner stone of the shrine being erected in Berlin to house the Freedom Bell, which will be dedicated at an impressive United Nations ceremony October 24, United Nation's Day.

## Jewels Attached To The Bare Skin

NEW YORK, Oct. 9.—(AP)—Ladies, now it's jewels fastened to the bare skin.

The idea, announced today, involves the suction principle and the use of an unidentified "harmless" chemical.

The creator, Marianne Ostier, says:

"The wearer may walk around at ease for many, many hours, with jewels as large as 2½ inches in diameter fastened to the skin, with no danger of them falling off."

She added that the jewelry can be removed at will—with no harm to the skin—from the forehead, dimples, shoulder or bare arm. And a skin blemish can become a "beauty patch," she said, with a jewel as a cover-upper.

Choosy Thief  
SAN BERNARDINO, Calif.—(AP)—Elaine Hunter told police someone lifted a day's wash from her line, leaving only a torn sheet.

The Washington Merry-Go-Round

Further Facts Regarding Congressman Brehm

By Drew Pearson

(Copyright, 1950, By The Bell Syndicate, Inc.)

WASHINGTON.—Congressman Walter Brehm of Ohio recently called me a liar for exposing his "kickback" manipulations with his office payroll.

I suppose it might be appropriate to remind Congressman Brehm that some of his ex-colleagues referred to me in the same language, notably ex-Congressman J. Parnell Thomas of New Jersey and ex-Congressman Andrew May of Kentucky, though they later went to jail.

However, I prefer to answer Congressman Brehm by giving some additional facts in the case and letting the public decide who is really guilty of telling lies.

The total kickbacks Brehm received from Mrs. Clara Soliday, a 75-year-old widow formerly employed in his office for three years, amounted to approximately \$7,300.

Here is a month-to-month account of how this money was paid to Brehm from the time she went on his payroll Jan. 10, 1945, until she was summarily discharged Jan. 31, 1948, after having broken her arm.

Mrs. Soliday was paid \$232.22 for the first part-month she was employed. Of this, she had to kick back \$100 to her boss. In the next five months, from February 1 to July 1, 1945, she received \$332.72 monthly, of which she returned \$150 each month to Brehm.

Her salary went up in July to \$359.16 a month (net after regular income and withholding taxes) and so did her kickbacks. From July to December 31, Mrs. Soliday regularly returned \$175 of her monthly earnings to Brehm.

For the first six months of 1946 Mrs. Soliday kicked back \$180 a month out of a \$373.86 net salary. From June 30, 1946, until she lost her job Jan. 31, 1948, her listed salary was \$442 a month. However, during all this 19-month period Mrs. Soliday kicked back \$240 a month to Brehm.

In other words, during the entire 37 months the lady was employed, she was allowed to keep only about half her earnings.

Since a Congressman's payroll is financed by the taxpayers, it is a violation of public trust, as well as the law, for him to require kickbacks from office assistants. However, all Brehm ever told Mrs. Soliday was that the money she gave him was needed by the GOP "committee" in Ohio for "campaign" purposes.

**Troubles Pile Up**

The aged lady's troubles really began to pile up in late 1947. While vacationing with a daughter in Cleveland, Ohio, Mrs. Soliday fell and broke her arm. However, another kickback to Brehm was due and she hastened back to Washington on Aug. 30, 1947, without stopping for medical treatment.

The arm was X-rayed in Washington and found to be broken, but before it could be set Mrs. Soliday went to the office of the House sergeant-at-arms on August 31 to cash her pay check. Then she went to a hospital, where she told a daughter, Mrs. Margaret Hiser, to get \$240 from her (Mrs. Soliday's) pocketbook.

She then informed her daughter to put the money in an envelope also in the pocketbook.

The envelope, believe it or not, bore Brehm's free mailing frank, plus his return address in Washington in Brehm's own handwriting! In other words, Congressman Brehm made sure that his office clerk wouldn't forget her monthly kickback while she was on vacation.

Before Mrs. Soliday left, he gave her an envelope which he had addressed to himself in which to return the money.

"Isn't this a lot of cash to be sending in a letter?" Mrs. Hiser recalls asking her mother.

Up to this point—Aug. 31, 1947—Mrs. Hiser says that she didn't know about her mother's kickbacks, but learned about the payroll padding for the first time when she put the \$240 in the envelope and mailed it to Brehm.

**Last Kickback**

A son, Ray Soliday, an Interstate Commerce Commission official in Washington, personally delivered the last kickback to Brehm after Mrs. Soliday, still ailing from her accident and unable to meet Brehm's efficiency standards, was fired.

Soliday went to Brehm's Capitol Hill office the first week in February, 1948, with the \$240 in cash. However, he urged the Congressman to permit his mother to keep the final payment "in view of the circumstances" (her being discharged) and the fact that she had "no visible means of support."

However, Brehm refused, saying that the "committee" (in Ohio) expected the money and that he, Brehm, could not go back on his "arrangement" with the committee.

"I don't care what the committee thinks," retorted Soliday. "My mother is entitled to this money and she should be allowed to keep it."

Finally, Brehm agreed to let Soliday return \$100 of the \$240 to his mother—a sort of kickback in reverse—but he pocketed the remaining \$140 for the "committee."

Ray Soliday didn't see Congressman Brehm again until last July when he was summoned to Brehm's apartment in the Methodist building and informed him that "Drew Pearson is after a story about me."

"If Drew Pearson or any of his employees

contact you—don't talk to them," instructed Brehm.

**Truman Slaps at Byrnes Are Unnecessarily Cruel**

By Bruce Blossat

Secretary of Defense Marshall has said many times he won't write his memoirs because too many people now living would suffer from the brutal truths he would have to tell.

President Truman hasn't written his, either, but he has allowed himself to be liberally quoted on important events by Jonathan Daniels, North Carolina editor and former White House assistant.

Some of those quotes do definite personal injury to James F. Byrnes, former senator, Supreme Court justice, war mobilizer and secretary of State, who now is running for governor of his home state, South Carolina.

In his new book, "The Man From Independence," Daniels quotes Mr. Truman as declaring that Byrnes "failed miserably" in his job as secretary of State, and that he "lost his nerve" at the 1945 foreign ministers' conference in Moscow. Apparently the President felt Byrnes had gone too far in appeasing Russia.

Whether you are a Democrat or a Republican, you'd be likely to feel that this is pretty harsh treatment for a man who has served his country in public life as long and faithfully as Byrnes.

Byrnes was comfortably emplaced on the Supreme Court when the last war broke out. At President Roosevelt's request, he gave up this lifetime post on the nation's most distinguished tribunal to become mobilizer on the home front.

He then spent two years as Mr. Truman's first secretary of State, during the immediate postwar period which proved to be one of the most frustrating and trying times in American foreign affairs history.

It was in this period that we went through the painful adjustment to the fact that Russia, our wartime ally, did not wish to be our peace-time friend.

It was natural that before we finally accepted this fact we should have leaned over backward—at least to some degree—to find a sound basis for accord with our recent comrades in arms. In the light of later events, this course may look very unwise. But in the context of those times, it can be understood.

This was the spirit in which Byrnes approached his task of reaching postwar agreements with the Russian. Furthermore, he was particularly equipped by experience and background to conciliate and compromise in negotiation. In the Senate, he'd been Mr. Roosevelt's trustworthy lieutenant with the job of talking votes into law.

Mr. Truman certainly must have understood Byrnes' nature when he gave him the secretaryship. And he knew the general temper of the times.

The President, of course, has a perfect right to believe that Byrnes fell down on the job, even after allowance is made for his background as a compromiser. But it seems cruel and unkind for him to declare himself publicly on this score when a personal hurt will plainly be inflicted.

History would not have suffered had the President's uncomplimentary views been withheld from public knowledge until Byrnes was no longer living.

**Quick Change Artists**

Korean war correspondents say one of the mysteries of the fighting at this stage is what has become of the substantial North Korean forces which a few weeks ago were pressing hard against the Allied bridgehead in the Pusan sector.

Some of these units, evidently, have fought northward in bitter rear-guard actions. But others seem to have vanished into thin air.

It's very likely thousands of South Koreans conscripted against their will were among these units, and they may have simply abandoned their weapons and uniforms to melt into the civilian population.

Knowing the general tactics of the North Koreans, we can expect that many of them may try the same way of bowing out. We should be on guard for a boost in the South Korean civilian population to a new record high. Being a South Korean is going to be an increasingly popular status in the days ahead.

**So They Say**

I have said many times before and I want to repeat that one of the things government cannot do is to practice medicine.

Acts 16:19—34; II Cor. 12:7—10; Matt. 10:23  
ON USING ILLNESSES AND IMPEDIMENTS  
We have studied the thought that frustrations can forward us. Paul was thrown aside at Galatia by an illness—frustrated? Oh, no! "It was because of an illness . . . that I preached the gospel to you." (Galatians 4:13, Moffatt.) Thrown aside by an illness, he used that frustration and preached the gospel, through it raised up a Christian Church and wrote a letter to it—a letter which has enriched the world. That is victory.  
When Paul asked God to take away the "thorn in the flesh," the messenger of Satan to buffet him, he received the reply, "My grace is sufficient for thee; for my strength is made perfect in weakness." He was promised, not deliverance, but power to use the infirmity. He arose and said, "Most gladly therefore will I rather glory in my infirmities . . . for when I am weak, then am I strong." If the messenger of Satan was to buffet him he would determine the direction in which the blows would send him. They sent him forward! The World War left a man a cripple, confined to bed. Beaten? Oh, no! From that bed he runs a very large business and his home is the center of wholesome gaiety. He might have made his mother into an attendant on his needs. He refused; he and his mother both live out their lives in individual achievement and beautiful co-operation.  
The world's greatest preacher could say, "I am no speaker, perhaps" (II Corinthians 11:6, Moffatt); but did that lack of oratorical ability stop Paul? It only spurred him on to primary successes. Had he been a good speaker, in all probability he would have depended on that, and a secondary success would have blocked a primary success. Many people are ruined by secondary successes—they become entangled in their techniques and never get to the goal. One of the most spiritually useful men in America rather gloried in being his "state's worst speaker." He is, but he made that kick send him forward—he functions where his usefulness really matters.  
Jesus, Thou master of every situation—even upon a cross, where Thou didst dispense forgiveness to crucifiers and gave absolution to a dying thief—give me this mastery over circumstances. For I am not beaten until beaten within. With Thee, I am not beaten there. Abide with me, and then I can abide with anything. Amen.

EDITOR'S NOTE: Here's another of a question-and-answer series that tells how the Korean war affects reservists, veterans, draft-age men, and anyone likely to be called to service. The author, a member of the Washington staff or NEA Service, conducted a widely-read column on "Your GI Rights" in the months following World War II. He will answer questions only in this space, not by mail.)  
WASHINGTON — (NEA) — Q. What's the story on women Navy reservists being called back to active duty?  
A. An unspecified number of WAVE hospital corpsmen in first, second and third class petty officer ratings will be ordered to duty in the near future. This applies only to enlisted hospital corpsmen. There are no plans at this writing for calling any other categories of women reservists. However, the Navy is still appearing for officers and enlisted WAVE reservists to volunteer for a minimum of one year of active duty.  
Q. I am in an Army research and development unit. What's my chance of being called to active duty?  
A. A new policy is that company grade officers in research and development units in the Army organized reserve corps will not be recalled to active duty as part of the overall officer recall program, but will be ordered to duty by the Army and placed in specialized research and development posts. Only captains and lieutenants are affected by this ruling.  
Q. I belong to the inactive reserve and expect a call soon. But recently I have suffered from severe attacks of rheumatism which no doctors have been able to help. Also, I have a wife, two kids and support my aged mother and father. What will they do with me?  
A. First, they'll give you a physical exam. If your rheumatism is too bad they probably won't take you. If you pass the physical you can ask for a deferment on the basis of hardship.  
Q. How can a fir tree be distinguished from a pine?  
A—Fir trees have needle-like leaves growing singly, and in spirals around the branches, while the needles of the pine are bound together in bundles of two, three or five according to the species.  
Q—What type of animal is the Ayre-aye?  
A—It is a nocturnal lemur found in Madagascar.  
Q—What famous character of modern fiction lived in Baker Street, London?  
A—Sherlock Holmes.

The skin is constantly exposed to all kinds of infections and irritations. Hence it is not surprising that there are many skin diseases. The skin is highly resistant but sometimes gets into trouble just the same.  
Q—What could possibly cause a condition of my scalp which starts with a dry scaling? The scales get thicker, moist and a fluid oozes out wetting my hair.  
M.A.C.  
A—There are several possible causes for this condition. It could also be eczema caused by some substance with which the scalp comes in contact. In order to make a diagnosis, your physician would have to take scrapings from your scalp and examine them under the microscope.  
Q—What causes red pimples on the legs after shaving them? What can be done for this?  
S.L.  
A—The shaving produces tiny cuts which carry germs into the skin. This may be hard to avoid but gentleness in shaving and perhaps the use of a mild antiseptic might help.  
Q—I am a man 78 years old, and have never used tobacco or intoxicating liquor. However, four years ago I had a leg amputated because of hardening of the arteries. What could have caused this?  
E.M.C.  
A—Unfortunately, the cause of hardening of the arteries is unknown. Sometimes it is localized to only one part of the body, and perhaps you may have no further trouble.  
Q—According to a doctor's diagnosis I have a kink in the kidney tube causing backache and sharp pain. What would you recommend for this condition?  
Mrs. T.S.  
A—Obviously I cannot make any specific recommendations for a person I have not seen. Sometimes a kink in a ureter or kidney tube can be treated successfully by instruments but in other cases, an operation may be necessary.  
Q—Is it true that skimmed milk has the same value as regular milk in mineral and vitamin content? . . . I understand that the only difference is in milk fat and that people who are overweight would do better without the fat. Is this true?  
A—It is true that most of the fat of regular milk is removed when it is skimmed. A considerable amount of the vitamin A is removed with the fat; otherwise, skimmed milk has about the same minerals and vitamins as ordinary milk. It is true also that skimmed milk is usually better for the overweight person.  
Q—I am 29 years old, and about four years ago I had a sudden sharp pain in my right leg while I was walking. The same thing has happened several times since, and it seems to be getting worse. Lately, I have had trouble controlling my balance. What do you think?  
Mrs. L. M.  
A—The symptoms you describe sound like a disease of the nervous system. It will probably be necessary for you to have a complete examination of the nervous system, including a puncture of the spine. You should not worry about the spinal puncture, as it is a simple thing for an expert to do.  
Note on Questions: Dr. Jordan is unable to answer directly individual questions from readers. However, once a week, in this "Q & A" column he will answer the most interesting and the most frequently asked questions received during the week.

## Lane-Warren Marriage

Miss Doris Lane, daughter of Mr. and Mrs. N. A. Lane, Route 4, Sedalia, Mo., became the bride of Mr. Richard L. Warren, son of Mr. and Mrs. V. M. Warren, Route 1, LaMonte, at 2:30 o'clock Sunday, Sept. 3, at the Camp Branch Baptist church with the Rev. Harold Evans, pastor, reading the double ring ceremony.

Arrangements of pastel gladioli, dahlias and sultanias formed the altar setting with seven-branch candelabra entwined with flowering vines on each side.

Mrs. Frank McKinney at the piano played the nuptial music, using as the processional and recessional the traditional wedding marches. Mrs. Frank McKinney, also accompanied Miss Ella Dee Runge who sang "I Love You Truly," "Because," and "Ah Sweet Mystery of Life."

The bride, who was given in marriage by her father chose for her wedding, a gown of white rayon marquisette with tight fitting bodice coming to a peak in front. The skirt was of many tiny tiers over a hooped slip. The lace-edged veil was arranged simply over her hair. She carried a colonial bouquet of white camellias with a sprinkling of yellow and orchid chrysanthemums, which were the colors of her attendants dresses.

Mrs. Norville Bopp, sister of the bride, as matron of honor wore a floor-length dress of orchid organza styled similar to the brides dress and carried a colonial bouquet of yellow chrysanthemums.

Mrs. Donald Thompson of Kansas City, Kansas, sister of the bridegroom, as bridesmaid wore a floor-length dress of yellow organza styled exactly like that of the matron of honor and carried a colonial bouquet of orchid chrysanthemums.

Mrs. Donald Lewis in yellow taffeta floor length dress and Miss Betty Arnett in aqua floor-length dress lighted the candles. They both had corsages of yellow gladioli.

Mr. Russell Warren of Overland Park, Kansas, and brother of the bridegroom, served as best man and Mr. Bill Pittman served as groomsmen. Mr. Shelby Lane, brother of the bride and Mr. Paul Neitzert, cousin of the bride were ushers.

Mrs. Lane, mother of the bride, wore a teal blue dress of spun rayon with a lace yoke, and Mrs. Warren, mother of the bridegroom, wore a printed blue rayon dress. Both had corsages of pink gladioli.

Immediately following the ceremony a reception was held at the home of the brides parents. A three-tiered wedding cake topped with a miniature bride and groom and candles on either side was the centerpiece for the lace covered table. Cake and punch was served to approximately 200 guests. Mrs. Norville Bopp cut the cake and was assisted in serving by Mrs. Donald Lewis, Miss Betty Lou Arnett, Mrs. Donald Thompson and Miss Ella Dee Runge. Miss Alberta Lane, sister of the bride was in charge of the guest book.

The couple spent a two-week wedding trip touring through Kansas, Oklahoma and Texas. They are now at home at Route 1, LaMonte.

The bride attended Quisenberry grammar school and was graduated in 1945 from the Smith-Cotton high school. She also attended Central Business college in Sedalia. She is now employed by the Prudential Insurance Co.

Mr. Warren attended grammar schools in Kansas City, Mo., and Kansas City, Kas. He attended Westport high school in Kansas City for three years graduating at Sturgeon, in 1946. He is now employed in farming.

Out-of-town guests attending the wedding were: Mr. and Mrs. Russell E. Warren of Overland Park, Kas., Mr. and Mrs. Donald Thompson and children Donna Lou and Rodney of Kansas City, Kas., Mr. and Mrs. Frank Lamb and Bob, Mr. and Mrs. W. B. Mahaffie and Jack, and Miss Lois Rowland, all of Olathe, Kas., Mr. John Brooks of Kansas City, Miss Daisy Warsop of DeSoto, Kas., Mr. and Mrs. Ralph Lang and grandson, of Lebanon, Mrs. Limple Randall of Lowry City, and Miss Virginia Helm of Kansas City.

## Celebrate 50th Anniversary

Mr. and Mrs. Joseph E. Rains, 801 East Ninth street, celebrated their Golden Wedding anniversary on October 1, with open house.

Miss Anna Bell Whitlock was married to Mr. Rains on September 30, 1900 at the little Oak Grove Methodist church near Calhoun.

Mr. and Mrs. Rains have six living children. Mrs. Leona Pearl Coffey, Sedalia; Mrs. Edna Markham, Kansas City; Lester Rains, Columbia; Joe F. ## MEASURING UP— TO SEDALIA

Your telephone system has been growing fast, to measure up to Sedalia's demand for more and more telephone service. In five years Sedalia has gained over 2,640 telephones. More than 8,370 telephones are now in service here.

Those telephones carry nearly 45,000 calls a day, and it takes about 135 skilled Sedalia telephone people to operate and maintain the system. It takes a lot of money too—over \$900,000 has been spent during the last five years just to expand

and improve the telephone system here. But much remains to be done.

More than 130 applicants are waiting for telephone service. About 185 customers have asked that their present service be changed to two-party or individual line.

In the face of today's high costs for equipment and construction, we are striving every day to meet this demand for service—to make telephone service measure up to Sedalia's growth and progress.

## Work Proceeds In Terracing And Seeding

### More Outlets are Constructed on Various Farms

Several of the Balanced Farming Association members are deeply interested in getting terrace outlets constructed and seeded.

One contractor just finished re-leveling 3 outlets (waterways) at C. W. Finley's on route 2 and is now working on 4 outlets and some terraces at Dr. A. L. Walter-Kappelman Bros., northeast of La Monte. From there he plans to do work at E. W. Thompson's and on the Dr. D. P. Dyer farm near Ionia.

Another contractor is building 2 diversions and has 2 outlets to relevel at Fairfax Bros. From there he will probably go to Mrs. J. H. Frederick's to build several outlets and some terraces. He has just recently relevelled 2 new outlets for Wm. E. Sawford of Otterville and has 3 yet to relevel for Fred Harsch of Smithton.

Frank Van Dyke of near Bahner has a new outlet to relevel and the same contractor who is doing Frank's work plans to build 1 or 2 outlets for Riley Lee of Beaman. He also has 2 large outlets to relevel for Dr. R. E. Gouge-Richard Kirchner of just north of Sedalia.

### Shepherd Builds Own Outlet

Ray Shepherd of Windsor was in the Balanced Farming office recently to report that he had nearly finished a long outlet (over 2000 feet) that he was building himself. He borrowed a level from the extension office to use in checking it. Russell McFarrich is building terraces on the J. H. Bagby farm, which he operates near Green Ridge.

A fourth contractor recently finished a large outlet, 2 diversions and several thousand feet of terraces at D. M. Overstreet-Bill Zinn of Sedalia, route 5.

### Riley Lee Constructs Grade A Dairy Building

Riley Lee who lives one and one half miles northeast of Beaman is now building a new 20x40 Grade A dairy building. It is of the standard design recommended by the Missouri College of Agriculture and approved by the milk markets of Kansas City and St. Louis.

Mr. Lee is making the building of concrete blocks and doing most of the work himself. It has a 6 cow milking parlor on the north end while the milk room is on the south. In between are a small feed room on one side and a wash room on the other. The feed room has 2 doors one to bring feed in from outside and one opening into the milking parlor.

Extension Agricultural Engineer Herman Hall assisted Mr. Lee and Associate County Agent Merle Vaughan in planning the location of this new building. They also assisted with the farmstead arrangement plans so that new lots and additional buildings will all fit together for convenience.

## New Officers for Neighbors Club

The Ringing Neighbors met at the home of Mrs. Leo Hoehns, with Mrs. B. Fly as assisting hostess on October 3.

A covered dish luncheon was served at the noon hour.

Mrs. Harold Eichholz presided over the business meeting.

Roll call was answered by each telling of preparation of a good box lunch.

The club voted to furnish refreshments for the Republican meeting to be held October 11.

The club plans to make a United Nations flag.

Mrs. George Teter gave a book report on "Bells on Their Toes."

The new officers are: Mrs. Harold Eichholz, president; Mrs. Lewis Schlobohrn, vice-president; Mrs. Roderic Demand, secretary-treasurer; Mrs. Nolen Gieschen and Mrs. Rance Hoehns, song leaders; Mrs. Glen Martin, game leader; and Mrs. George Teter, reporter.

## Mystery Farm Pictures in Central Missouri---

Is this your farm?

Most of the readers of the Democrat-Capital have been following this series of weekly Mystery Farm Pictures with considerable interest.

The pictures that appear in this space in Monday's Democrat and Tuesday morning's Capital were taken sometime ago by an aerial photographer. The pictures were not shot with the knowledge of whose farm it was. It was a random picture there.

## Saw Flash of 'Fireball' In Sky

Carl C. Siegel, residing near Florence, Mo., writes the Democrat-Capital mentioning reading in the Capital about a Dwight Brown, of Kansas City, seeing a rocket or ball of fire flash through the sky and fall to earth. Mr. Brown stated it appeared to him as if it came down about seven miles north and east of Sedalia while he was driving east on highway 50.

This was about 5:20 o'clock Wednesday evening and Mr. Siegel states he was riding his horse about about the farm and was returning to his house about the same time and saw this ball of fire, or "whatever it was" falling at a rapid rate and leaving a brilliant light. The brilliant trail of the fire ball, Mr. Siegel states, was as Mr. Brown described, and looked as if it was white hot. "It seemed to be following an angle coming in from the north," Mr. Siegel said.

He conjectured it must have come down west of his house in a patch of timberland.

Mr. Siegel lives about six or seven miles south of highway No. 50 and about 20 miles southeast of Sedalia.

Several other persons in various parts of the state saw the mysterious "fireball." So certain was Mr. Siegel that it fell near his home he and Mrs. Siegel went out to search for it, but were unable to find it.

## Walnut Grove Club in Meeting

The Walnut Grove Home-makers club held its regular meeting September 28 at the home of Mrs. F. O. Rimel. Mrs. F. O. Rimel, president, opened the meeting, leading the group in the club collect. Roll call was answered by telling memories of "My First Day of School and My First School Teacher."

Members turned in their pennies for friendship. The club finished the plans for achievement day. The meeting was then

dom job; a picture here and a To date there have been over sixty-two Mystery Farm Pictures published, most of which have been claimed by the occupants and owners of the various farms. Yours may be next. Watch for it!

If you see your farm in the Mystery Farm space, come in and claim your picture at the Democrat-Capital news room on the second floor of the Democrat-Capital building. No strings attached; it's yours for the asking.

## LaMonte Club To Make Flag

The LaMonte Thursday club met at the home of Mrs. A. A. Yokely on October 5, in an all day meeting with 18 members and four visitors present.

The meeting opened with all singing the "Missouri Hymn." Mrs. Fred Weikel resigned as president and Mrs. Guy Mahin was elected to fill the office. Mrs. Weikel announced the projects for next year, "Color in the Home," "Salad Bowl," "Short Cuts in Sewing" and "Horticulture."

The club voted to make a UN flag and fly it at the Bethel school on October 24, United Nations Day.

Mrs. W. L. Bybee was appointed to get the pattern and material for the flag.

Reports were turned in for the close of the year's work. A pink and blue shower was given for Mrs. Arthur Mahin.

The decorations and program was in charge of Mrs. S. O. Campbell and Mrs. Raymond Wasson.

The next meeting will be at the home of Mrs. W. L. Bybee at which time there will be a glass etching demonstration by Mrs. S. O. Campbell.

## Postal PTA Hears Talks on Lunches

The Postal school held its regular PTA meeting September 14. The meeting was opened with the singing of, "What a Friend." The hot lunch program was discussed. There will be a wiener

brought to a close and refreshments were served by the hostess. The next meeting will be held at the home of Mrs. Howard Paige.

## Judging School At Selken Farms

Plans for the dairy type, selection and judging school to be held from 12 to 4 p. m. on October 11th at the Ernest and Paul Selken Farms at Smithton, have been completed.

A lot of interest has been shown in the event and a very large crowd from a wide area is expected to be on hand to hear Professor M. J. Regan, head of the Dairy Extension Dept. of the University of Missouri, lead the discussions. The Central District Holstein Breeders Association which includes some 17 Missouri counties is sponsoring the event.

The school will deal with individually in dairy animals, as records show that animals that are superior in type are also superior in producing capacity and remain in production longer. The program will start with a class of 4 cows in production and they will be rated as to body conformation, capacity, mammary system, dairy temperament and feet and legs. The group will also work with young heifers under a year, bred heifers and bulls, following this the group will be given the opportunity of placing three classes of four animals each.

Plans are for the group to work with the cattle in their every day working condition as the animals will not be clipped to hide or improve their defects. The Association invites dairymen of all breeds, Veteran Agriculture Classes, 4-H members or anyone interested to attend, as it should be an afternoon well spent.

## Dr. Valentine Stabilizing Head

WASHINGTON, Oct. 9 — (AP) — Dr. Alan Valentine, former president of the University of Rochester, was appointed by President Truman Saturday to be administrator of Economic Stabilization Agency.

The agency is an independent one created under the Defense Production Act to keep the nation's economy on an even keel during the armament drive growing out of the Korean crisis.

The White House said other appointments are expected soon to the new agency, including a director of price stabilization and a nine-man wage stabilization board.

Dr. Valentine, holder of degrees from many American universities and Oxford, accepted the appointment in a call at the White House soon after the President returned from an eight day cruise on the

ville, Tex., Mr. and Mrs. Dalls White of Versailles, and Mr. and Mrs. Elbert Akin and family of Fortuna.

## Has Pond Under Balanced Plan

W. J. (Bill) Ficken of Smithton reported recently that he had used his special P. M. A. payment this year to construct a pond which was included in his Balanced Farm plan. Mr. Ficken was in the Balanced Farming Association in 1948 and 1949.

Bill is well pleased with his first alfalfa which was seeded last fall. He has both first and second year sweet clover and is now planning to seed winter barley so is well along on his crop rotation.

The Ficken's next major project will be a new farm home and Home Agent Lillian Watkins has been assisting them with plans.

Yacht Williamsburg.

Dr. Valentine left town immediately afterward, but is expected to assume the new job in a week.

# Yankees Set For Probable Long Journey

Long Run Likely Ahead at Top of Baseball World

By Jack Hand  
NEW YORK, Oct. 9.—(P)—The 1950 world champion New York Yankees may be set for a long run atop the baseball world. This is no wonder club that swept four straight from the luckless Philadelphia Whiz Kids in the world series. No "murderers row" humbles the opposition. But it's a band of alert opportunists, darting through the first chink in the enemy defense. Maybe Tommy Heinrich, a Yank of the old school, said it best Saturday night at the height of the victory dinner. "We used to overpower them," Heinrich said. "Now we have to substitute hustle."

Hustle, that indefinable quality, was more responsible for the Yankees' season long success than any other factor. It carried them through when Heinrich, hobbled by a bad knee, couldn't play; when Joe DiMaggio, slumped and was benched in mid season; when Joe Page, the 1949 relief ace, couldn't get anybody out.

When the big guns were spiked by the brilliant Phil pitching in the series, the "little guys" came through. Gene Woodling (.429), Bobby Brown (.333) and Gerry Coleman (.286) carried the ball. Only DiMaggio (.308) of the old wrecking crew held up his end. And Joe went hitless until he broke up the second game with a tenth inning homer off Robin Roberts.

Overlooked in the tumult about DiMaggio's mid-season slump and Heinrich's injuries was the value of the strong new blood from the Yanks' farm system.

Eddie Ford, the pink-cheeked rookie of 21 who won the last game, 5-2, Saturday afternoon before 68,098 fans, is an example. A year ago he was pitching in Binghamton (N. Y.) in the Class A Eastern league. When Manager Casey Stengel needed help in mid-season he reached to Binghamton and plucked out the young lefthander who piled up a 9-1 record down the stretch. Or take Coleman, a greatly underrated player. He hits better in the majors than he did in the minors. At 26 he's one of the best second basemen in the league a dazzling double play mate for Phil Rizzuto.

Coleman, Ford and Brown — are the Yanks of the future with Yogi Berra, Hank Bauer, Jackie Jensen and the kids on the way in the farm system, plus the tested starting pitching corps of veterans Vic Raschi, Allie Reynolds and Ed Lopat.

# Giants Winning By Defense

By Joe Falls  
NEW YORK, Oct. 9.—(P)—The New York Giants, because they play against the "book" and feature defense rather than offense, are making pro football's two attacking might — the Cleveland Browns and Philadelphia Eagles — sit up and take notice.

Rated no better than third or fourth in the power-packed American conference, the New Yorkers have utilized their bone-bruising defense for three straight victories and are the only team in the 13-team circuit without a setback.

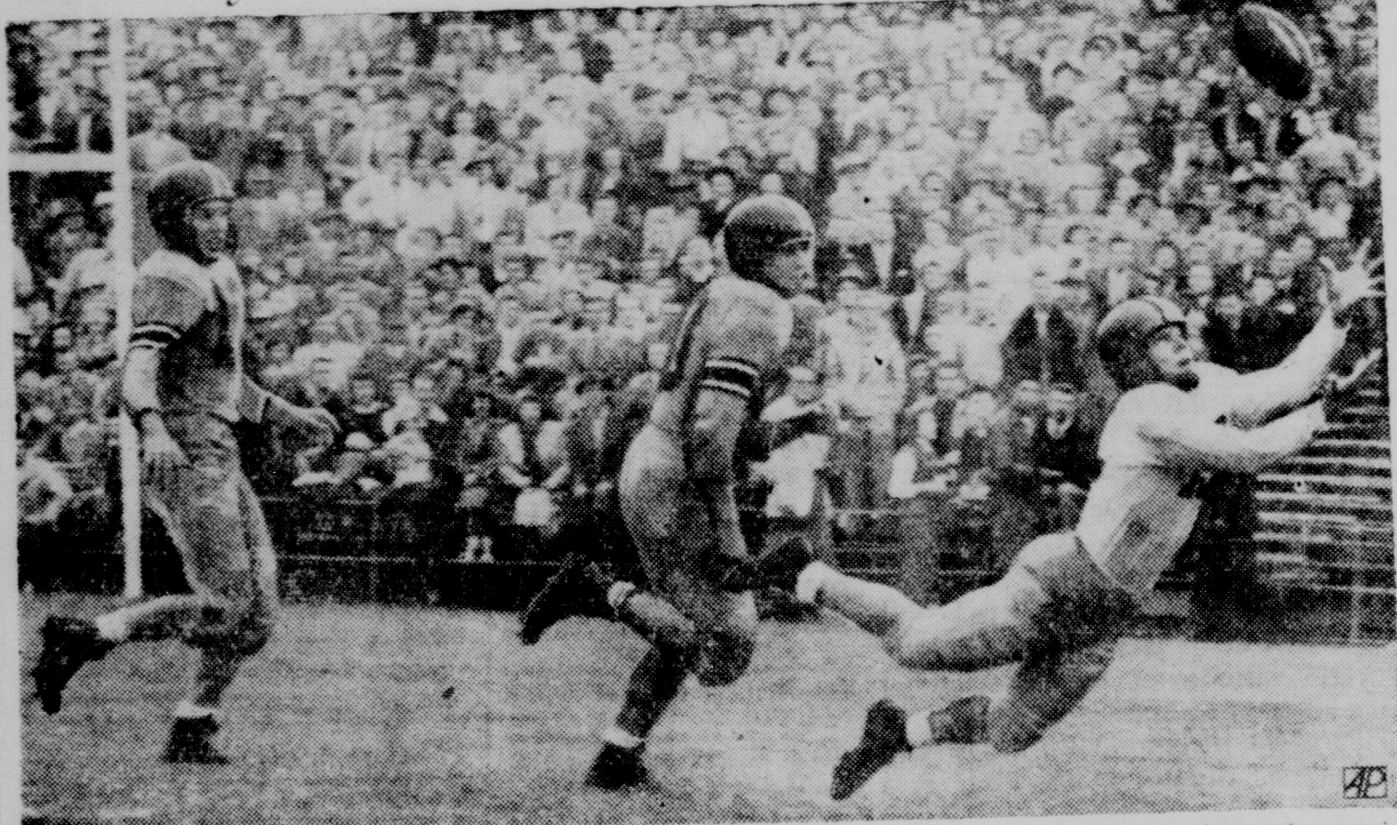

Among their victims are the Pittsburgh Steelers, 18-7; Cleveland, 6-0 and, yesterday, Washington's Redskins, 21-17. That means Steve Owen's outfit has yielded only 24 points, an average of eight a game.

Some fancy stepping by rookie Forrest Griffith, helped send the Washingtons reeling to their third defeat in four starts. Griffith, who starred for Kansas, bolted for the first touchdown on a two-yard plunge and was the spark in New York's ground game over the slippery terrain.

The Cleveland Browns, who whipped Pittsburgh, 30-17, on Saturday, are No. 2 in the American conference with a 3-1 record. Then comes Philadelphia, 56 to 20 victor over the Los Angeles Rams, in third place with 2-1.

Meanwhile, three teams — the Chicago Bears, Detroit Lions and New York Yanks — are tied for

the National conference lead. All, sporting 3-1 records, won yesterday.

The Bears trimmed their cross-town rivals; the Chicago Cardinals 27-6; Detroit handed San Francisco its fourth straight loss, 24-7, and the Yanks outscored Green Bay, 44-31.

# Stars Saturday In Football

Charles Hoag, Kansas halfback: Was big wheel in Kansas' 27-point last half rally that downed Colorado, 27 to 21. Colorado had scored three touchdowns when Hoag broke loose for 86-yards that started the team toward victory.

Dale Samuels, Purdue quarterback: With Notre Dame only a touchdown behind and on the march, Samuels passed to Jim Mutscheller for the touchdown that ended Notre Dame's unbeaten streak.

Bob Reynolds, Nebraska halfback: Scored twice, once on a 67-yard run, as Nebraska downed Minnesota, 32-26.

Kyle Rote, Southern Methodist halfback: Ran for two touchdowns as SMU smothered Missouri, 21 to 0.

Hugh McElhenny, Washington fullback: Helped Washington to last minute 21 to 20 victory over UCLA by gaining 95 yards and scoring touchdown.

Joe Zabalski, coach of Northwestern university: Kept his players from molesting officials after heated scoreless tie with Tufts, during which his team was penalized 95 yards.

# Warrensburg Tops The MIAA

KANSAS CITY, Oct. 9.—(P)—The Rolla Miners are off to a fast start in defense of their M. I. A. A. football championship.

Coach Gale Bullman's Miners over won their league opened, 14-0, over a highly regarded Maryville team on a rain soaked field at Rolla Saturday. Both touchdowns came on passes, Howard Bullman, son of the coach, threw for one of them.

Rolla will meet Warrensburg, also boasting a conference win, at Warrensburg Friday night.

All six M. I. A. A. teams engage in league play this week. Cape Girardeau and Kirksville are scheduled to play at Kirksville Friday. Springfield and Maryville meet at Maryville Saturday.

Conference standings:

Warrensburg	W.	L.	T.	Pct.	PP	OP
Rolla	1	0	0	1.000	21	2
Springfield	1	0	0	1.000	14	0
Kirksville	0	0	1	.000	19	19

# Bowling

## Bowling Notes

Al Fabry's, Adco, Inc., 245 is the top single league game this season. Harold Bundy has the top triple with 600.

Four bowlers have earned free games with high scores. Ten free games to Ralph Walker Saturday night on a 258 score. Five free games to Al Fabry, Glen Nelson, and Bill Adams on scores of 245, 244, and 240. (Over 250 ten free games are given, over 240 five free games.)

Starting Wednesday, October 18, a weekly sweepstake will be rolled every Wednesday at 9:10 p.m. This is a tournament of one night duration, open to men and women, on a handicap basis with 175 scratch and 80 per cent. Winner is to receive 75 per cent of the prize money with the second place winner getting the other 25 per cent. Each bowler rolls four games on four alleys. Cost is \$2 with \$1 for bowling and \$1 for prize money.

Both ladies leagues are sanctioned by the Women's International Bowling Congress. The president of their local city association is Emilie Brunjes and the secretary is Virginia Nelson. Irma Lingle is president of the Business Women's League. Myrt Whitfield is president of the Ladies' Merchants League.

# Windsor And Clinton Tie

The Windsor and Clinton high schools battled to a 6 to 6 deadlock in their football game Friday night on the Windsor gridiron. It was a fast moving contest from start to finish.

Both teams drove within scoring distance several times but in the crucial moments neither team could hold on to the ball or pierce the opposing line with the exception of the one time each team scored.

## 75 Yard Touchdown Run

Bob Nicholas, Windsor right half, on the third play of the game, broke through the Clinton line, then evaded the Cardinal backfield to race 75 yards for the Windsor tally. The Greyhounds tried for the conversion, but missed, giving Windsor a 6 to 0 lead.

The Clinton tally came late in the second quarter as Doug Long, end, powered his way over tackle from the one yard line to throw the game into a 6 to 6, where it remained until the final gun.

Captain Carl Gregory and Henry Smart, ends, along with guards Jule Wall and Ward North were the mainstays of the Greyhound line while quarterback Dale Adair and half Bob Nicholas led the Greyhounds in the ground gaining capacity.

Richard Hendrich, Bill Hoppe, Doug Long, center, guard and end respectively were the rocks of the Clinton line while Russ Ab-lard, quarterback and Jim Durr, halfback monopolized the Cardinal backfield play.

# Vikings Will Play Central

KANSAS CITY, Oct. 9.—(P)—Traveling at an average rate of 31.5 points per game the Missouri Valley Vikings will meet their strongest M. C. A. U. football opponent this week.

The Vikings, who have scored a total of 126 points against 20 in beating College of Emporia, Kirksville, Ottawa and Evansville (Ind.), will play Central of Fayette at Marshall Friday night.

William Jewell and Culver-Stockton, the only other MCAU members participating in the football championship race, will

## Fading Reds

American military policemen guard a long line of approximately 1,000 North Korean prisoners as they are marched along a main street in Seoul Tuesday on their way to a prison stockade following their surrender. Gen. MacArthur's headquarters has announced that more than 40,000 North Koreans have been taken prisoner by the Allied forces. (AP WIREPHOTO)

## Interested Spectators

With their hands to their ears and protected by GI helmets these two South Korean girls get a first hand view of the warfare which threatens their young lives. No one knows how the youngsters got so close to the marines on the firing line but they survived the experience. (AP WIREPHOTO)

## To Get a New Arm

Betty Lou Marbury and her father, Henry Clay Marbury, board a plane in Memphis, Tenn., for a flight to New York where the girl will be fitted with an artificial arm to replace the one she lost early this year. The 11-year-old Brownsville, Tenn., youngster won the hearts of the nation with her request for prayers to save her arm after it became infected. She plans to return home immediately after the fitting. (NEA PHOTO)

## Community News from LINCOLN

### Mrs. Herbert Hansen

Dr. and Mrs. S. O. Stratton motored to Osawatimie, Kas., Sunday, where they attended a Fellowship supper and Ordination services which were held at 8:00 o'clock Sunday evening at the First Baptist church in Osawatimie for four Deacons of the church, one of whom was their son, Earl Moor. They were accompanied by their daughter and family Mr. and Mrs. A. M. Labahn and son Ray Michael and returned to their homes here Monday.

Guests at the home of Mr. and Mrs. Ed Kullman Saturday were Ed Eckhoff of the state of Iowa and Mr. and Mrs. Oscar Eckhoff and son and Mrs. Dora Kreiser all of Appleton City.

Mrs. J. S. Hopkins and two daughters, Mrs. Herbert Shour and Mrs. E. R. Portwood, all of Kansas City, left here Monday where they will spend a few days vacation trip in the Shepherd of the hills country. They were accompanied by their sister and aunt, Mrs. Harry Stober, of Lincoln.

Mr. and Mrs. Oliver White and son returned to their home near Warsaw Saturday, following a two-week vacation trip. They visited with friends and relatives

in the states of Indiana, Kentucky and Pennsylvania and were guests at the home of Mrs. White's brother and family, Mr. and Mrs. Kenneth Henry and daughter of Aberdeen, Md. On their return trip home they stopped at Louisiana, Mo., where they visited at the home of Mr. and Mrs. W. L. Henry.

Mr. and Mrs. Clyde See of Cement, Okla., left Tuesday morning following a few days visit with relatives and friends here. They will visit with relatives in Windsor and Leeton before they return home.

Mrs. Frank Hatfield and Mr. and Mrs. Harold Wall and son,
